2. Piecing Order:

1. Shoo-Fly Blocks: Draw a diagonal line on the back side of all **F** 3 3/8" squares, **F** 3 7/8" squares and **G** 3 3/8" squares. Pair **F** squares with the same size **E** squares and pair **G** squares with **I** squares, right sides together. Stitch 1/4" ON both sides of the drawn diagonal line. Cut on the line to separate units. Press to the darker fabric and clip excess tips.

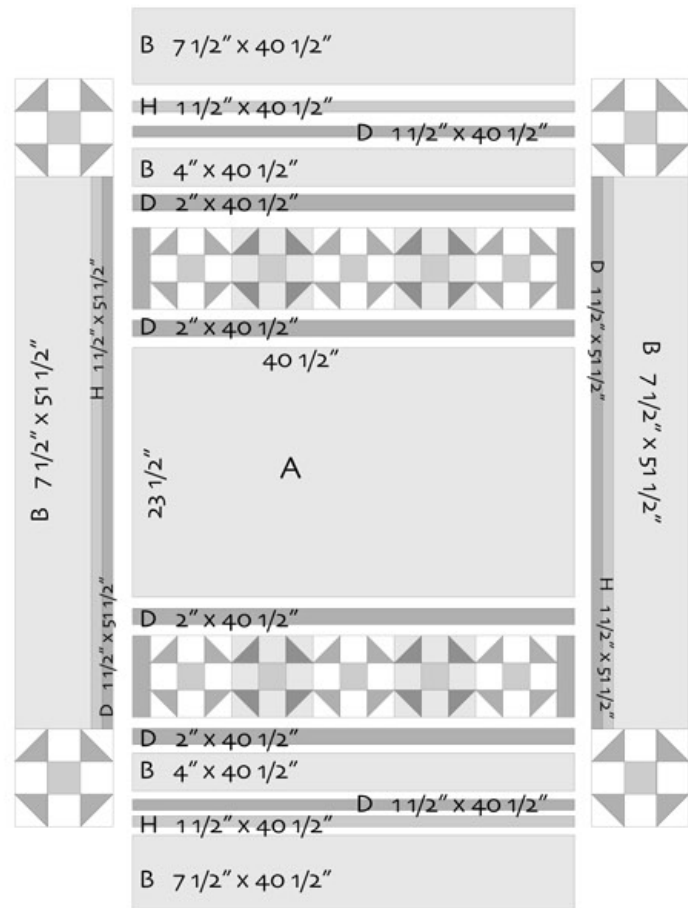

Next, sew Shoo-Fly blocks together by rows according to the diagram. Repeat for all blocks.

2. Sew two rows of Shoo-Fly blocks alternating the smaller blocks (**E/F** and **G/I**). Then sew one **D** 1 3/4" x 8" strip to each end.

3. Sew quilt together by rows according to the diagram. Begin with center panel, add rows above and below. Next, sew **SIDE** borders together for each side, then sew 9" corner blocks to each end. Sew **SIDE** borders to the quilt last.

4. The quilt measures approximately 60" x 70". Make backing (**Fabric H**) at least 6" larger than the top. Baste together top, batting and backing. Quilt as desired. Attach binding (**Fabric D**) and enjoy!!!
